Resume

Experience

 **Software Engineer**

Full Time

 Ghost

 South Africa

 Oct 2022 - Present

This was a 3 month project-based contract to build an internal tool for the Ghost team.

- Built a React app to replace a CLI tool that support team uses to manage users and accounts.

 **Sabbatical**

Full Time

 NA

 South Africa

 March 2021 - Oct 2022

I made the decision to take time off to spend with my family and recharge.

- Spent time with my my wife and (at the time) newborn son.
- Travelled in South Africa.
- Pursued hobbies.
- Learned new skills.

 **Software Engineer**

Full Time

 Hotjar

 Malta, Remote

 Dec 2017 - March 2021

Hotjar is a very successful, data heavy product with over a million daily active users consuming data from tens of billions of site sessions a month.

- Worked primary on internal support tools including a React app, a chrome extension and other integrations.
- Built and maintained Rest APIs in Flask.
- Was an interim-team lead for 4 months as while the other team lead was on paternity leave.
- Mentored more junior engineers in my own team and in the support department.
- Progressed well on the on internal development track and earned title of "Specialist" in my area.

 **Software Engineer**

Full Time

 Stratech

 South Africa, Remote

 Nov 2016 - Oct 2017

Contracted engineering work building fintech related solutions for clients.

- Lead backend developer on several diverse projects in the fintech space.
- Systems architecture and planning.
- Front end developer on hybrid mobile applications using Ionic 2 (Angular 2).

 **Junior Software Engineer**

Full Time

 Modality Apps

 South Africa, Remote

 Mar 2015 - Oct 2016

Hybrid Mobile Apps for Business

- Primary full-stack developer on web apps to provide "back office" interfaces for hybrid mobile apps.
- Managed and setup all the infrastructure (small scale) in AWS.
- This is where I jumped in the deep end and learned how to code on the job.

Education

 **Bachelor of Science in Mechanical Engineering**

 University of Cape Town

 South Africa

 Jan 2008 – Dec 2012
